

John Tarpoon

Freshman in college looking to get a business degree to further push his lawn care business. Has a hard time understanding other languages and accents. Always ready to have a good time and work hard.

John Tarpoon 2

John Tarpoon has been having a hard time finding people to study with. He has been struggling in his business calc class as his professor can barely speak english.

John Tarpoon 3

At this point John just wants a good grade in the class and is looking for something to help him study and give him good notes.

John Tarpoon 4

John is walking to his class as he sees the legendary Hank The Tank and asks him for help. Before John even speaks Hank shows him the app College Reddit.

John Tarpoon 5

John then sees a few features that could help him get good grades and help prevent him from getting anymore professors he cannot understand.

John Tarpoon 6

John also sees the social area of the app and realizes he can try and promote his work and ask for help through messages and different threads.

Tiger Woods 1 - By Bradley Zenker

Tiger loves spending time on the course but often has trouble putting time towards other things. This is going to make going back to school a challenge for him.

Tiger Woods 2

While Tiger is out golfing he wants to be able to check his assignments are also check his grades for his classes. He knows that instead of doing his homework later he will be practicing his putting.

Tiger Woods 3

After having his physics classes for a few weeks, Tiger begins to struggle in school. Balancing his time between classes and golf is proving to be more of a challenge than Tiger had previously thought.

Tiger Woods 4

Tiger then ran into the best golfer in the world, Sam Gary, who recommended Tiger try out the new student reddit app that help student with their school work. Tiger is forever grateful for Gary's help.

Tiger Woods 5

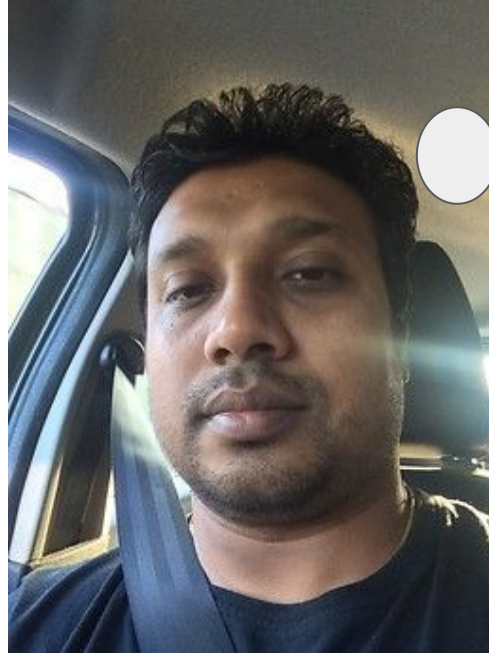

With the help of the new app, Tiger was able to take control of his class and finish his new physics degree. He is forever grateful to the app because his new degree elevates his golf game even more.

Timmy Smalls 1

Timmy is a professor that teaches History. He's frustrated that his students forget about material for his class. He needs his students to do well in his class so it looks good on his teaching records.

Timmy Smalls 2

There has to be a solution!

Professor Smalls was wondering what could he do to get in communication with his students outside of class so they can all do well.

Timmy Small 3

Then Timmy Smalls overhears his co workers talking about this new college app that's like Reddit. He thinks this is the perfect solution!

Timmy Smalls 4

Professor Smalls looks at the application and sees that you can do a lot of things to help students do well in his courses. He can communicate with students, send out reminders, and more!

Timmy Smalls 5

Professor Smalls tells his students about the app and they love it.

Timmy Smalls 6

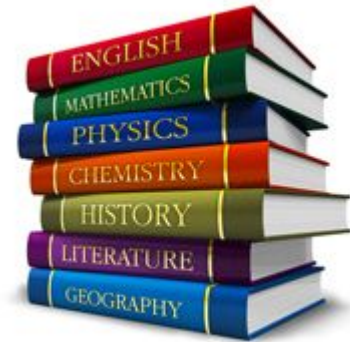

Yo Steven this application is helping me do well in my history class.

Everyone in the class starts using the application, and everything goes well for the students.

Jesse Pinkman 1

Jesse is taking business classes but doesn't have the money to buy new books.

Jesse Pinkman 2

Jesse decides to try and find used books but doesn't know where to look for them.

Jesse Pinkman 3

He asks his friend badger if he knows where to get used books for a low price.

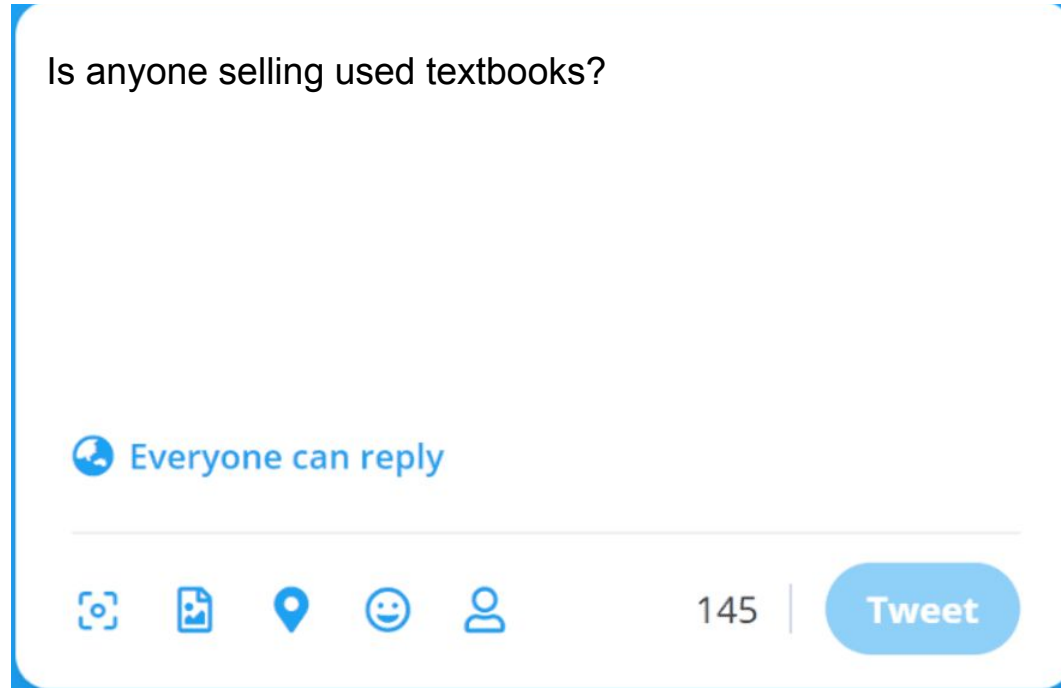

Jesse Pinkman 4

Badger tells him about an app for his phone for schools that has everything he will need, and he can post to see if someone is selling used textbooks.

Jesse Pinkman 5

Jesse posts if anyone is looking to sell their used textbooks and walter replies he is.

Jesse Pinkman 6

Jesse meets Walter at the Russell House and pays him for the books.

Mclovin 1

Mclovin has just started out school at Dartmouth, he's a Civil Engineering major.

Mclovin 2

Is it a good idea for me to take classes in the morning or in the evenings?

When Mclovin was making his schedule, he was very confused and didn't know when he should schedule his classes

Mclovin 3

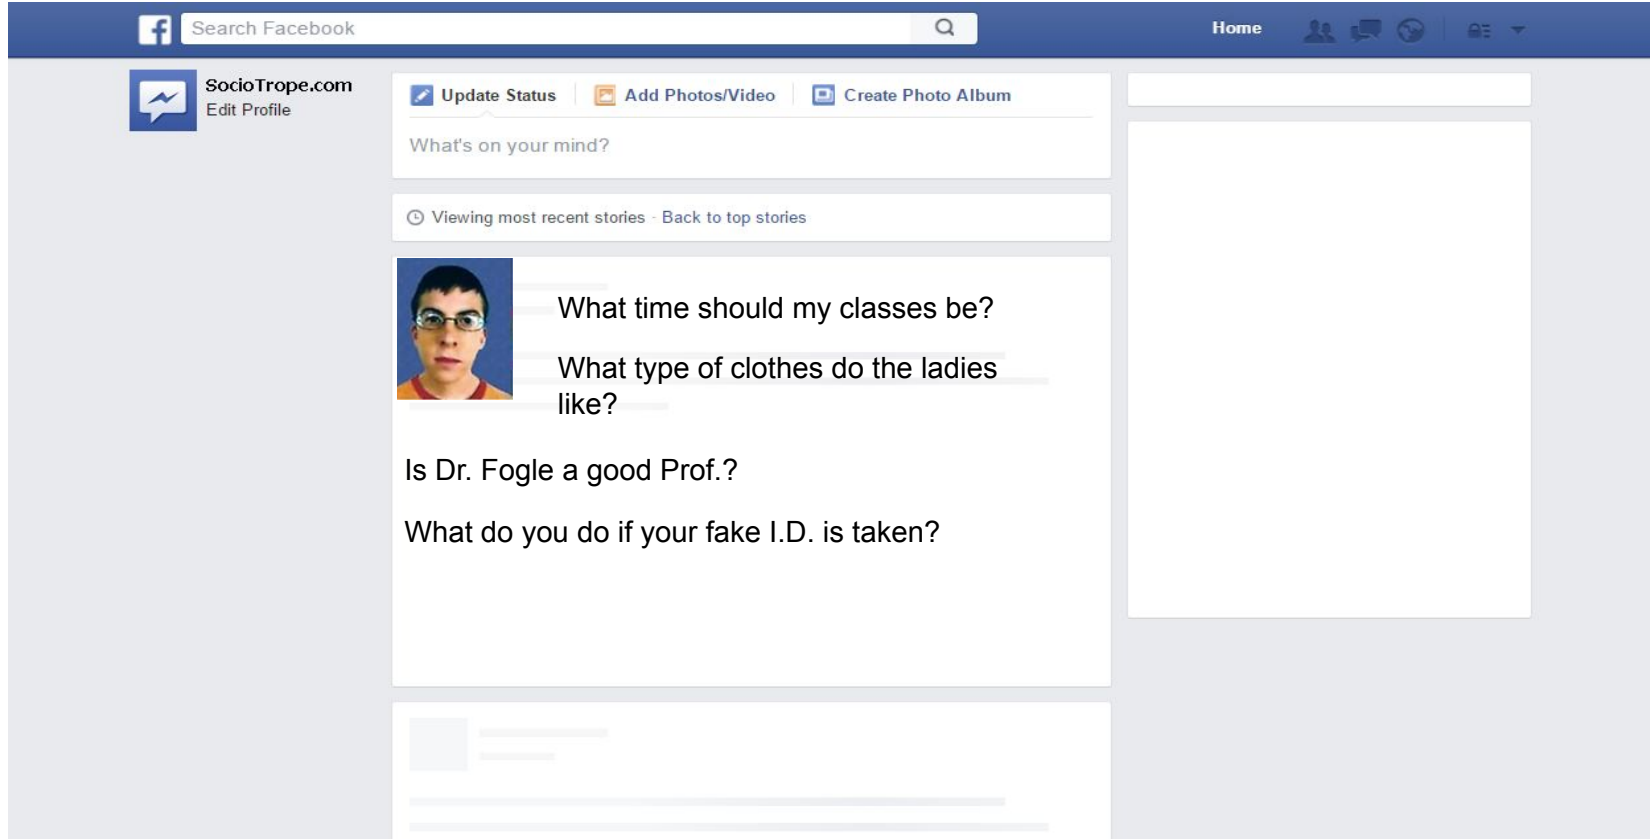

Registering for classes and making my schedule has been so stressful, I have so many questions

You came to the right guy, there's actually an app where you can ask all these questions and have them answered by students just like you, it's called Reddit for Students

Mclovin emails his advisor 'Hank The Tank' and tells him he's very confused and has lots of questions about his classes. Hank The Tank tells Mclovin that there's an app called 'Reddit For Students' where he can actually ask these questions and have them answered by other students.

Mclovin 4

Mclovin Downloaded the app and asked some of his questions

Mclovin 5

When your fakes taken
best bet is to leave before
the cops come, who knows
what they'll do if they see
it.

DO NOT TAKE EARLY
MORNING CLASSES
THEY WILL MAKE YOU
GO INSANE!!!!!!

Dr. Fogle was pretty chill,
he let didn't take
attendance much and he
posted his slides on
blackboard after class

Sup brah, the ladies love it
when you wear wife
beaters bro. And make
sure you have a
backwards hat too, they'll
love it.

Mclovins post was filled with responses of helpful comments answering his many questions.

Mclovin 6

Thanks to Reddit For Students, Mclovin was able to use some of these tips from other students to help him get adjusted to his new school.
